# GlassFusion™

## Extreme Hybrid Glass Screen Protection

Designed for Galaxy S10 and S10+

### Engineered to Be Unbreakable

- **Strength and Style:** Military-grade materials combine with the properties of glass to create powerful protection with a smooth finish.
- **Flexible Protection:** The flexible quality of hybrid glass absorbs and disperses impact.
- **Beveled Edges:** GlassFusion's beveled edges blend seamlessly with the edges of your screen.
- **Scratch Protection:** Tough components protect your screen from scuffs and scratches.
- **Chip and Crack Protection:** GlassFusion won't chip which prevents cracks from starting and spreading.
- **Smudge Resistance:** GlassFusion's smooth, unique surface finish prevents oils from adhering to your screen, so smudges and fingerprints wipe away easily.
- **Precision Touch Sensitivity:** GlassFusion preserves your screen's touch sensitivity so that it responds to every tap and swipe.
- **Easy Bubble-Free Application:** Our Smart EZ Apply® tabs combined with an advanced adhesive make applying your GlassFusion simple and bubble-free.
